MAGIC

BY THE SLICE

History

I am probably the only comedy magician that also cooks for my clients and their guests! Loving all things Chicago (especially pizza), back in 1999 while performing full time as a comedy magician - entertaining casino and corporate audiences - I began perfecting my deep dish pizza. I tried numerous recipes week after week, would eat one slice, sometimes only one bite and then pass the rest off to his neighbors. My neighbors loved me!

I got close to what I thought was the perfect flavor and consistency but felt it was slightly (see what I did there?) amiss. With months of trial, the help of some of my more than willing taste testing friends, the Chef at Pizzeria Due (sister restaurant to Pizzeria Uno), my late great pal Chef Stutz and a few others, I nailed it!

Bon Appétit!
